

racon® premium folded hand towels (en)

Item number: 080 577

Category: Folded Hand Towels, Recommended Filling

Racon® premium folded paper towels are made of two plies high-quality glued pulp-tissue. They are extremely absorbent and are demanding the hand drying. A pleasant feeling is created by the soft surface. Racon® premium folded towels are suitable for largely all dispenser systems. *Good to know:* Our Racon® premium folded towels are available in different fold types and fit in almost all common dispenser systems.
