## CONFORMITY DECLARATION CONCERNING PAPER AND CARDBOARD MATERIAL TO BE IN DIRECT CONTACT WITH FOODSTUFFS

We confirm you that our items

PAPER BAKING MOULDS  
PAPER CUPS  
ECOS BAKING MOULDS IN PAPER

are in conformity with:

CE Communitarian Legislations:

- *Regulations 1935/04/CE*
- *Regulations 2023/06/CE*

Italian Legislations:

- *DPR 777/82 and successive revisions and modifications.*
- *D.M. 21/03/1973 and successive revisions and modifications.*

Suitable for direct contact with food, for which are expected Migration tests (greasy/moist food).

This declaration is effective from the date indicated below and will be substituted in case considerable changes in the production of the material occur that can alter some essential requirements necessary to obtain the conformity or when the legislations mentioned in this declaration are modified or updated so that a new inspection is requested. The validity of the declaration, in any case, is of 24 months.

It is responsibility of the user to ensure that the package is properly used and suitable for the intended use.

Information on recommended conditions of use and any additional documentation are available upon request.
