

Trioworld Top Sheet & Top Films

Why choose this product?

- + Maximum product protection against dust and moisture
- + Excellent puncture resistance
- + High quality

The packaging is essential to guarantee your customers the product quality they expect, and to ensure top quality all the way to your customers you must prevent your goods against dust and moisture. Using stretch film and top protection from Trioworld gives stability and protection to your pallets ensuring the same top quality as when it left your warehouse.

Trioworld Top Sheet and Top Films for maximum protection!
The Trioworld Top Sheet and Top Films are the perfect complement to the stretch film to secure the best load stability and product protection.
