

tesa[®] extra Power Universal (>60% recycled backing)

Product Information

BNR 56348, 56396, 56389, 56490, 56388

Product Description

tesa[®] extra Power Universal is a versatile duct tape with extra bonding power, made with recycled materials. Ideal for handicrafts, repairing, fastening, bundling and marking and more.

Sustainable Aspects

By incorporating over 60% post-consumer recycled materials into its backing, tesa[®] extra Power Universal Duct Tape offers a more sustainable option.

Product Features

- For handicrafts, repairing, fastening, bundling, strengthening, marking and much more
- For daily uncomplicated solutions and quick & easy repairs
- Backing made from more than 60% post-consumer recycled materials - increasing sustainability and reducing waste!
- Very good adhesion to all types of surfaces
- Weather-resistant for in-and outdoor applications
- Tearable by hand
- Solvent-free

Application Fields

This Duct Tape works best on clean, smooth surfaces. Apply the tape and press firmly onto the surface.

Product Construction

- | | | | |
|---|--------------------|--------------------|------------------|
| • Backing | PE laminated cloth | • Type of adhesive | synthetic rubber |
| • Post-consumer recycled content of backing | 67 % | • Total thickness | 215 µm |

tesa[®] extra Power Universal (>60% recycled backing)

Product Information

Properties/Performance Values

• Elongation at break	16 %	• Hand tearability	good
• Tensile strength	41.2 N/cm	• Humidity resistance	yes
• Abrasion resistance	very good	• Residue-free removability	no
• Adhesive strength	High adhesion	• Solvent free	yes
• Ageing resistance (UV)	yes	• Suitable surfaces	Even wood, Tiles, Most plastics, Glass, Metal
• Application temperature from	5 °C		
• Application temperature to	60 °C		
• Area of use	In- and Outdoor	• Tear resistance	yes
• Chemical Resistance	yes	• UV resistant	yes
		• Writable	yes
