

## Good Sense Shea & Sandalwood (refill cartridge)

01c

### Shea & Sandalwood, air freshener and odour neutraliser - continuous action

#### Description

Super concentrated refill cartridge, giving a fine, dry dispersion of the fragrance. The fragrance contains the Odour Neutralising Technology (O.N.T. technology), which destroys at source and chemically neutralises unpleasant odours and is effective against a variety of malodours such as urine, body odours, smoke, mould and mildew. Good Sense Shea & Sandalwood shows significant malodour reduction immediately after introduction of fragrance with a four hour residual action.

#### Key properties

- Based on the patented Odour Neutralising Technology (O.N.T.)
- High perfume concentration
- Continuous action every 1, 2 or 3 hours
- Choice of five different fragrances

#### Benefits

- Does not mask malodors but chemically destroys them to enhance the perception of the chosen fragrance
- Ideal to select the right atmosphere at the right place and at the right moment
- Very economical
- Up to 56 days of your preferred fragrance and at your selected intensity without the need of any maintenance!

#### Dosage

The Good Sense Shea & Sandalwood refill cartridge is ready to use.

*\*This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey representative for directions.*

#### Application

1. Turn the knob of the locking mechanism on the automatic dispenser and remove the lid.
2. Dispose used refill cartridge and replace by your chosen new fragrance.
3. Press the red reset button once to allow dispenser to consider the replacement effectively.
4. Select or deselect the photocell option
5. Put back the lid and turn the knob to lock the lid closed again.

#### Technical data
