

SAFETY DATA SHEET

Product : **PERMANENT GLUE ROLLER**

Revision date: March 2017

1. IDENTIFICATION OF THE SUBSTANCE/ MIXTURE AND OF THE COMPANY

Product identifier:

Product name: Permanent Glue Roller (Dotted design)

Relevant identified uses of the mixture and uses advises against:

Application of the mixtu. Coating

Details of the supplier of the safety data sheet

Manufacturer / Supplier: **WIDETECH** MANUFACTURING SDN BHD (472544W)

101(A), Hilir Sungai Keluang 5
Bayan Lepas Industrial Park IV
11900 Bayan Lepas, Penang, Malaysia

Telephone No: (60)-4-6433348

Fax No: (60)-4-6433386

Email: marketing@widetech.com.my

Emergency Telephone N (60)-4-6433348

2. HAZARD IDENTIFICATION:

Classification according to Regulation (EC) No 1272/2008):

This product is not classified according to the CLP regulation

Classification according to Directives 67/548//EEC or Directive 1999/45/EEC:

Void

Particular hazards for human and environment:

Void

Labelling according to Regulation (EC) No 1272/2008

Hazard pictograms

Void

Signal word

Void

Hazard statements

Void

Void

Result of PBT and vPvB assessment:

PBT: Not applicable

vPvB: Not applicable

3. COMPOSITION / INFORMATION ON INGREDIENTS

Chemical characteristics:

Substances

Description:

Roller to apply an adhesive film to glue paper permanently

Dangerous components:

Void

This information is given in good faith and is based on extensive experience and actual state of art. It does not represent a guarantee for the properties of the product.

SAFETY DATA SHEET

Product : **PERMANENT GLUE ROLLER**

Revision date: March 2017

Liner: PET film/ siliconized paper
Coating layer: Acrylate-copolymer

4. FIRST AID MEASURES

Description of first aid measures

General: No special measures required

In case of swallowed: Seek immediate medical advice.

In case of eye contact: Not applicable.

In case of skin contact: Rinse with warm water

In case of Inhaled: Not applicable

Information for doctor: No particular measures are known- treat according to symptoms.

Most important symptoms and effects, both acute and delayed:

No further information available.

Indication of any immediate medical attention and special treatment :

No further information available.

5. FIRE FIGHTING MEASURES & EMERGENCY ACTIONS

Extinguishing Media

Suitable extinguisher agents: This product is not flammable

For safety reasons unsuitable extinguishing agent: Not applicable

Special hazards arising from the substance/ mixture: No further information available.

Advice for firefighter: No special measures required.

6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures: Not required.

Environmental precautions: No special measures required.

Methods and material for containment and cleaning up: Not applicable.

Reference to other sections No dangerous materials are released.

This information is given in good faith and is based on extensive experience and actual state of art. It does not represent a guarantee for the properties of the product.

SAFETY DATA SHEET

Product : **PERMANENT GLUE ROLLER**

Revision date: March 2017

7. HANDLING AND STORAGE

Precaution for safe handling:	No special measures required.
Information about protection against explosions and fires:	No special measures required.
Condition for safe storage:	Store only in the original container. Store away from direct sunlight, temperature between 5 - 35 degree Celsius with humidity 45 -85%.
Requirement to be met by storerooms and containers:	Store only in the original container
Specific end use:	No further information available.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Additional information about design of technical systems:	No further data; see section 7
Control parameters	
Components with limit values that require monitoring at the workplace:	Not required
Exposure controls	
General protective and hygienic measures:	The usual precautionary measures should be adhered to general rules for handling chemicals.
Breathing equipment:	Not required
Protective of hands:	Not required
Eye protection:	Not required
Body protection:	Not applicable

9. PHYSICAL AND CHEMICAL PROPERTIES

Information on basic physical and chemical properties

Physical State:	Solid
Colour:	Clear
Odour:	Odourless
Odour threshold:	Not determined
pH:	Not determined
Melting point/ range:	Not determined
Boiling point/ range:	Not determined
Flash point:	Not applicable
Flammability:	Not applicable
Auto ignition temperature:	Not determined
Decomposition temperature:	Not determined
Self-flammability:	Product is not self-igniting

This information is given in good faith and is based on extensive experience and actual state of art. It does not represent a guarantee for the properties of the product.

SAFETY DATA SHEET

Product : **PERMANENT GLUE ROLLER**

Revision date: March 2017

Danger of explosion:	Product is not explosive
Solubility with water:	Miscible
Viscosity:	Not applicable

10. STABILITY AND REACTIVITY

Reactivity:	No hazard to be specially known
Chemical stability:	Stable under recommended storage and handling condition. No decomposition if used according to specification.
Conditions to be avoided:	No further information available.
Possibility of hazard reactions:	No dangerous reactions known.
Incompatible materials:	No further information available.
Hazardous decomposition products:	No further information available.

11. TOXICOLOGICAL INFORMATION

Acute toxicity:	No irritant effect on skin No irritant effect on eye
------------------------	---

When used and handled according to specifications, the product does not have any harmful effects according to our experience.

12. ECOLOGICAL INFORMATION

Aquatic toxicity:	No further information available.
Persistent and degradability:	No relevant information available.
Bioaccumulation potential:	No relevant information available.
Mobility in soil:	No relevant information available.
Results of PBT and vPvB assessment:	
PBT:	Not applicable
vPvB:	Not applicable
Other adverse effects:	No relevant information available.

This information is given in good faith and is based on extensive experience and actual state of art. It does not represent a guarantee for the properties of the product.

SAFETY DATA SHEET

Product : **PERMANENT GLUE ROLLER**

Revision date: March 2017

13. DISPOSAL CONSIDERATION

Waste treatment methods

**Waste from residue/
unused products**

Avoid discharging waste into rivers and drains. Collect and segregate waste in appropriate labelled containers.

Uncleaned packaging:

Empty container can be disposed with waste.

Recommendation:

Disposal is in accordance to relevant local regulations.

14. TRANSPORT INFORMATION

Not regulated as hazardous material for transportation.

Special precautions for user: Not applicable

Special precautions for user : Not applicable

Transport in bulk according to Annex II MARPOL 73/78 and IBC Code : Not applicable

15. REGULATORY INFORMATION

Safety, health and environmental regulations/ legislation specific for substance/ mixture

Not classified

Chemical safety assessment:

A chemical safety assessment had not been carried out

16. OTHER INFORMATION

The product should not be used for purposes other than those shown in Section 1 without first referring to the supplier in obtaining written handling instructions. As the specific conditions of use for the product are outside the suppliers' control, the user is responsible to ensure that the requirements of the relevant legislation are complied with.

The information contained in these safety data sheet is based on the present state of knowledge and current national legislation. It provides guidance on health, safety and environmental aspects of the product and should not be construed as any guarantee of technical performance or suitability for particular applications.

This information is given in good faith and is based on extensive experience and actual state of art. It does not represent a guarantee for the properties of the product.
