

Product information regarding MSDS (material safety data sheet)

for

Pentel Ballpoint Pens, Gel Ink Roller, Roller Balls, Fibre Tip Pens and refills

Thank you for your inquiry concerning a Material Safety Data Sheet and your interest in our products.

Material Safety Data Sheets (MSDS) are mandatory for dangerous substances and preparations, subject to the appropriate European regulations*, and will be provided to you on demand.

* REACH 1907/2006, article 31 and Dangerous preparations directive 1999/45/EG

Material Safety Data Sheets are not mandatory for Pentel Ballpoint Pen, Gel Roller, Liquid Gel Roller, Hybrid Gel Roller, Roller Balls, Fibre Tip Pen and its refills. These products are not regarded as dangerous substance or preparation as of relating EC directives.

The above mentioned products are regarded as finished articles and not into the scope of safety data sheets.

Our products are made from highest quality; national and international rules and regulations are respected at any time.
