2 NEW
sizes available

NEW

**Ergonomic
DESIGN**

Ergonomic hand holes are engineered for maximum comfort and reduced wrist strain

Boxes made from FSC® certified 100% recycled board

Up to 50% stronger than basic strength boxes

Organisation Made Easy

BY **Fellowes**®

Boxes made from FSC® certified 100% recycled board

Box handles are engineered with a 30-degree angle, to create an ergonomically-friendly wrist position, reducing strain whilst lifting and carrying

- Ergonomic handles may encourage a good handling technique as highlighted in the The Manual Handling Operations Regulations 1992 (as amended) – see <http://www.hse.gov.uk/toolbox/manual.htm>
- FIRA Ergonomic Excellence Award gained: “Ergonomically excellent products are likely to improve efficiency and productivity as well as eliminating or minimising the ill effects of twenty first century offices and work practices.”¹
- Ergo-Box™ features triple thickness of board to the ends and double thickness to the sides and base. You can stack these up to 6 units high.
- ERGO-Stor™ flip top boxes feature triple thickness of board to the ends and double thickness to the front and base. You can stack these up to 5 units high.
- Quick & Easy Fastfold® automatic assembly will save you valuable time
- Security hole for optional use with cable ties (cable ties not supplied)
- Made from FSC® certified 100% recycled board
